The checklist and forms are available at the following website.

http://shrp.umdj.edu/admissions/documents/Immunization_Chart.pdf

Copies of required credentials MUST be submitted a the time of registration!

DESCRIPTION: The New Jersey State Board of Dentistry has issued guidelines for the monitoring of nitrous oxide sedation. This course is designed for the registered dental assistant and the registered dental hygienist who will be monitoring patients for whom nitrous oxide has been administered by a licensed dentist. Following completion of the seven (7) hour didactic AND the seven (7) hour clinical components of the course, the dental auxiliary is issued a course verification certificate from UMDNJ which meets the requirements outlined by the New Jersey State Board of Dentistry.

NITROUS OXIDE SEDATION MONITORING FOR DENTAL AUXILIARIES

REFRESHER

CE Code: 11ADE04 UMDNJ CEU's: 0.4 NJSBD CE Credit: 4

DATES: Wednesday, September 15, 2010

TIMES: 9:00 AM –1:00 PM

INSTRUCTOR: Vaishali Singhal, DMD

LOCATION: UMDNJ-Scotch Plains Campus

FEE: \$250 (*Seating is Limited*)

PRE-REQUISITES:

1. Registered Dental Assistants (RDA) or Registered Dental Hygienists (RDH)
2. Current Certificate in Cardiopulmonary Resuscitation (CPR) at the Health Care Provider Level
3. Current/active health insurance (copy of both sides of medical insurance card must be supplied)
4. Proof of having completed the NJSBD approved course in Nitrous Oxide Sedation Monitoring (14 hours=7-hours didactic and 7-hours clinical)

Copies of required credentials MUST be submitted at the time of registration.

DESCRIPTION: *Refresher course on protocol of monitoring patients on nitrous oxide sedation while under the care of a licensed dental hygienist or licensed dental assistant.*

This course is designed as a refresher program for registered dental assistants and registered dental hygienists who have previously completed a New Jersey State Board of Dentistry approved course in Nitrous Oxide Sedation Monitoring. Content will include a review of the protocol for the monitoring of patients for whom nitrous oxide sedation has been administered by a licensed dentist.

By participating in an approved refresher course every bi-annual licensure renewal period, qualified dental auxiliaries may continue to monitor patients undergoing treatment under nitrous oxide sedation. Completion of this program will fulfill the Board's requirement for renewal.

These credits do not apply towards New Jersey State Licensure renewals, however it is necessary to complete a refresher course every second renewal period (every 4 years) to maintain your Nitrous Oxide Sedation Monitoring Certification.

REGISTRATION FEE includes tuition and handout materials. Textbooks are not included and are the participant's responsibility to obtain before the start of the program. Minimum and maximum enrollment levels have been established, we urge you to register early.

LOCATION, CONFIRMATION & DIRECTIONS: All programs are held on the Scotch Plains Campus. Upon receipt of your registrations (*including all required prerequisites*) you will receive a confirmation letter prior to the start of the program.

CANCELLATION OF A COURSE: Each class requires a minimum enrollment. Classes may be cancelled because of insufficient enrollment, or other reasons. In the event that a class is canceled by us, you will be notified and given the option of a full refund or enrolling in another course.

WITHDRAWAL FROM CLASS AND REFUND POLICY: If you wish to withdraw from a continuing education course, you must notify the Department of Allied Dental Education in writing immediately. Refunds will be made if notification is received one week prior to the start of class. After this time, **NO** refunds will be made.

TEXTBOOKS: When indicated, textbooks can be purchased at Matthews UMDNJ Bookstore, 186 West Market Street, University Plaza, Newark, NJ 07103, (973-643-5440 or www.umdnljbookstore.com.)

All orders, including shipping and handling, must be charged to a major credit card. You can also try to locate textbooks on-line at such sources as: www.amazon.com or www.barnesandnoble.com.

TO REGISTER

PHONE: Call 908-889-2413 or 908-889-2743 for information.

MAIL: Send completed form and prerequisites with check, money order (payable to UMDNJ), or credit card information to: UMDNJ-SHRP- Department of Allied Dental Education-1776 Raritan Road, Room 421-Scotch Plains, NJ 07076.

FAX: Fax completed form and prerequisites with credit card information to: 908-889-2477

NOTE: *Registrations will not be processed until ALL prerequisite documentation has been submitted and payment is received.*

A fee has been added to the course cost for initial review of all immunization forms by Student Health Services of UMDNJ. There is a \$100 fee which will be charged only in the event of any needlestick incident or injury. Please make sure to have your health care provider complete all forms in their entirety as additional costs for subsequent reviews will be charged to you. The checklist and forms are available at the following website.

[http://shrp.umdj.edu/admissions/documents/Immunization\\_Chart.pdf](http://shrp.umdj.edu/admissions/documents/Immunization_Chart.pdf)

**DESCRIPTION:** Attendance during all lecture and clinical sessions is mandatory.\*\* During the clinical sessions, all students will work 1st with a student partner and then with clinical patients. The students will review the patient's medical history, prepare the clinical treatment area, select appropriate armamentarium, and utilize proper chairside administration techniques as discussed in class and seen in the demonstration videos. The clinical session will include demonstration anesthesia techniques for infiltrations, Mandibular Block, Long Buccal Block, and Mental Nerve Block injections. A small amount of local anesthetic will be deposited at each site to demonstrate proper target achieved for each injection. Post-operative instructions will be given and the patient will be monitored during and at the end of the session.

\*\*Students are required to successfully pass both the course final exam and the North East Regional Board (NERB) Anesthesia Exam before being eligible to apply to the New Jersey State Board of Dentistry for the local anesthesia permit.

Including selected readings from current journal articles. **As this is a web-enhanced course, you will be required to visit and have access to multiple websites on the internet. Students will be required to complete and submit written assignments and exams as well as attend two (2) full day sessions, on campus to complete clinical activities, as well as a supervised clinical patient experience.**

## EDUCATIONAL THEORY AND METHODOLOGY FOR DENTAL AND ALLIED HEALTH EDUCATORS A Web-Based Continuing Education Course

CE Code: 11ADE07 UMDNJ CEU's: 1.5

**DATES:** Available 24/7

**Designer:** Jo-Ann Little, RDH, BS, MS Ed

**Location:** Web-Based Self Tutorial

**Fee:** \$225

*The ADA Accreditation Standard 3-7 for Allied Dental Education Programs states that all dental program faculty must have current knowledge of the specific subjects taught, and background in appropriate educational methodology.*

This is a Web-Based self-tutorial consisting of eight modules and graded tutorials that will enhance teaching skills for the Dental and Allied Health Educator. Each module will require approximately 90 minutes to complete. The topics include: learning styles; learning theories; instructional design; teacher/student outcomes assessment; course syllabus; and instructional objectives. Certificate of completion will be issued upon passing of the program and the submission of the evaluation.

Upon completion of this course the participant will be able to:

1. Differentiate learning styles
2. Discuss educational theories of teaching and learning
3. Enhance teaching skills with writing of goals and objectives
4. Select effective classroom strategies for student learning
5. Evaluate teacher and student outcomes

**To Register:**

Mail or fax the completed application form and prerequisites with check, money order, or credit card information to: UMDNJ-SHRP- Department of Allied Dental Education-1776 Raritan Road, Room 421-Scotch Plains, NJ 07076.

Once your registration has been processed you will receive an e-mail confirmation and link to the website to create a new ANGEL web account. Once the account has been created you will then be instructed on how to access the program.

\*If you have any problems please contact us at:  
(908-899-2413 or 908-889-2743 )
