***IMMUNIZATIONS (Please address immediately)**
Students must be in full compliance per UMDNJ policy prior to the start of the clinical portion of the course. A fee has been added to the course cost for initial review of all immunization forms by Student Health Services of UMDNJ. There is a \$100 fee which will be charged only in the event of any needlestick incident or injury. Please make sure to have your health care provider complete all forms in their entirety as additional costs for subsequent reviews will be charged to you. The checklist and forms are available at the following website:
http://shrp.umdj.edu/admissions/documents/immunization_Chart.pdf

**These credits do not apply towards State licensure renewals, however, it is necessary that a refresher course be taken every second renewal period (every 4 years) to maintain your certification.
Textbooks are not included and are the participant's responsibility to obtain before the start of the program.
