ADA CERP® | Continuing Education
Recognition Program

Zufall Health is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Zufall Health designates this activity for <1> continuing education credits.

OVERVIEW

The purpose of this program is to provide dental education to improve patients' quality of life, oral health literacy and increase patient trust. Understanding basic oral health education can make a difference in people's lives. The course will provide patients with the tools they need to impact their oral health.

OBJECTIVES

At the conclusion of this program, participants will be able to:

- Improve knowledge of oral health and learn how to prevent dental diseases
- Gain strategies to foster oral health promotion targeting underserved populations
- Learn how to engage in HPV education and how to take advantage of other vital information about oral health
- Learn new oral health trends from healthcare professionals
